

MUSTAFA HEGAZI...

MULTIMEDIA DESIGNER |

📍 DUBAI, UNITED ARAB EMIRATES

Biography

Hello, I'm a multimedia professional with 5+ years of experience in motion graphics, video editing, artwork, and shooting videos and photos for products from big brands. The experience has covered many formats under both BTL and ATL advertising. I am eager to learn with a high drive to test new platforms and make a dent in the industry, while being meticulous, creative, and following the best practices. I'm looking for a role where I can expand my skillset through new experiences, challenges, and learning opportunities.

Work Experience

ARABHARDWARE

Full-time | 2019 - Present

Social Media Specialist May 2019
Graphic Designer May 2019
Motion Graphic Designer Jul 2020
Multimedia Designer Jun 2021

Arabhardware is the pioneer site in the Middle East presented in Arabic and specialized in Tech and Gaming. It is one of the largest enthusiasts' communities that presents unique content in the Arabic language for Arab users.

My Responsibilities at Arabhardware:

- Lately, I have been acting as a creative director.
- bring the Ideas and work with the host and the videographer to bring these ideas to light.
- Shooting videos and photos for products.
- Editing videos for Youtube, Tiktok, and Instagram.
- Creating Motion assets for videos or brand identity.
- I did many events coverage (Photography, Social Media coverage).
- I Participated in filming and directing many offline events.
- I did many announcement videos for events (Online/Offline) or tournaments.
- Creating many Live stream assets (Motion Graphics).
- Handling Reels or Short videos for different platforms.
- Designed outdoor printing Ads for billboards.
- And in the past, I managed the social media accounts for Arabhardware and some brands like Adata and XPG.
